Meridian Metal Trading Ltd, established in 1987, is one of the largest fully independent, Steel Stockholders and Processors in the UK. We are a leading supplier of Slit Coil, Sheets and Sheared Blanks in Galvanised, Hot Rolled, Cold Reduced, Electro Zinc and Aluminised in both drawing and High Strength Grades.

Meridian Metal Trading Ltd is a professional and environmentally conscious organisation which acknowledges the impact our operations have on the environment. We are committed to:

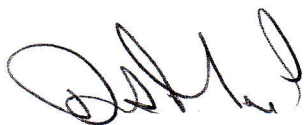

- Developing, operating and maintaining an environmental management system at its Dudley Head Office and Works that follows the principles of BS EN ISO 14001:2004.
- Complying with all relevant environmental legislation, regulations and standards.
- Working to reduce the environmental impact of our operations, in particular we are committed to:
 - Minimising the consumption of energy and water as far as practicable
 - Progressively reducing/minimising the emissions of greenhouse gases from all our production processes where practicable
 - Increasing the recycling and/or re-use of materials and minimising the generation of waste wherever possible
 - Mitigating damage to the environment as a result of our activities, including the prevention of pollution and the disturbance to local wildlife.

Objectives and targets will be set to monitor our performance in these areas.

As part of our commitment to continual improvement this Environmental Policy and the objectives and targets are reviewed on a regular basis.

Meridian Metal Trading Ltd recognises the importance of its employees in contributing to its environmental performance and will communicate this policy to all staff and other working on its behalf.

Signed

Derek Myatt
